What's New In?

System Requirements For CD Spectrum Pro:

Windows Mac OS X Linux Android Chrome OS You'll be able to download the demo from the PlayStation Store, but the full game won't be available until December 4. We're hoping that both Windows and Mac versions of the game will be available at the same time, but we'll have to wait and see. For those interested, the Steam page is here, and the official wiki can be found here The demo will feature four options for you to play in: The choices available in the demo are, but don't worry,
